JOB OPPORTUNITY - AGRICULTURAL SERVICE TECHNICIAN

About Us

B&B Tractors is a well established agricultural dealership with over 25 years experience in delivering industry leading machinery to customers across the Midlands.

Main Role

We are looking for experienced and self-motivated individuals with strong engineering experience and a passion for agricultural machinery to join our busy service departments at Warsop (Mansfield) and Dodworth (Barnsley). The positions would suit a first class technician who can demonstrate strong diagnostic skills and all-round technical knowledge.

Candidate Requirements

The successful candidates will be responsible for the servicing, diagnosis and repair of a wide range of leading agricultural machinery. Previous experience of working in a modern agricultural dealership would be beneficial, although training will be given.

Remuneration

The remuneration package includes an industry leading hourly rate, company vehicle and other benefits. A relocation package may also be considered for the right candidate.
